

Tiger AGM Report 2026

Welcome to this year's Tiger Cub Pack AGM report

Summer Term 2025

We started this term with a crisp tasting evening rating the different crisps on flavour and taste, etc. To find the overall best one.

Pets at home was our first visit out from the den learning about pet care.

The cub from both lion and tiger took part in Trail Jam which was a walk from the den to Holybourne play area

Cyclist badge prep was another week with cubs repairing punctures and bike maintenance.

Our second visit out from the den was to the wonderful Watercress line with the cubs learning about the line during the Second World War and walking over the bridge that appeared in Harry Potter (Philosopher's Stone) film.

This terms camp was a joint one with the Lion cub pack at Bentley Copse it was a very hot weekend lucky we were under the trees cubs had a try lots of different activities including abseiling, using the obstacle course

and cooking
their own

food. As part of trying a new sport, for Skills Challenge badge, we had a session at the Alton Indoor bowls, the cubs had a great time,

As part of our Air Activities Badge Stage 2, we went along to the Lasham gliding club, and had a look at, and had a go on a glider simulator. The last night was a chance to use our bikes skills and cycle around Alice Holt

forest following their cycle trail.

Autumn Term 2025

Autumn started with Campfire up on the bank, cooking or burning marshmallows and toast, baggy organised a fishing taster event which both cub packs have

organised to run again soon.

This term we started on our chef badge which included finding out about nutrition, and menus/ then they had a go at cooking chicken stir fry with noodles. For our cubs, this term

we went to the Aldershot dry ski slope for a wonderful evening of instruction, not a lot of falling over and the cubs had a great time,

As the cubs are placed in six's we had an evening working in their sixes, to complete tasks,

The cubs started their personal safety badge which include stranger danger, internet safety.

Diwali evening was cubs

making a Diwali bell mad with plastic cups and decorated with stickers.

Remembrance evening we made tommy silhouettes, our sleepover this term was a night at the Novum museum in Chichester, and learnt about the Romans, For the DIY badge, we made phone holders out of wood, they had to learn to use the tools safely.

As part of their Entertainer badge, the cubs

performed a short play about Christmas. The last night of term we had a go at curling and ate chips from a local shop.

Spring Term 2026

One of the cub favourite activities is cooking marshmallows but due to the weather, we had to do it on a BBQ, instead of on the bank. We started

behind the scenes in Health care challenge badge, which included making a X-ray picture / build a ward out of cardboard,

We joined up with the Lion cub pack to do a night hike from Upper Froyle to Holybourne, We had a lovely visit from the hawk lady the cubs had a

chance to hold a bird of prey Trading post was another evening, which is where the cubs do activities to be awarded points for their six's.

As part of

the Health
care
challenge
badge, they
had an
evening of

training in Emergency Aid

which includes, the recovery position and how to treat simple burns.

For Chinese New Year we tried Chinese food and played games.

The cubs had a chance to create, and make healthy smoothies which mostly looked green in colour.

We kindly had a visitor to talk to us about tooth care, and remind them how to use a tooth brush.

We ended the term making fire in our six's and cooking toast

Lastly Thank you to our cubs, you have achieved a lot this past year – well done. To the parents, we do appreciate your help running our programme

To Baggy, Kaa and Dizzy – I am very grateful for all you do.
